LOOKBOOK

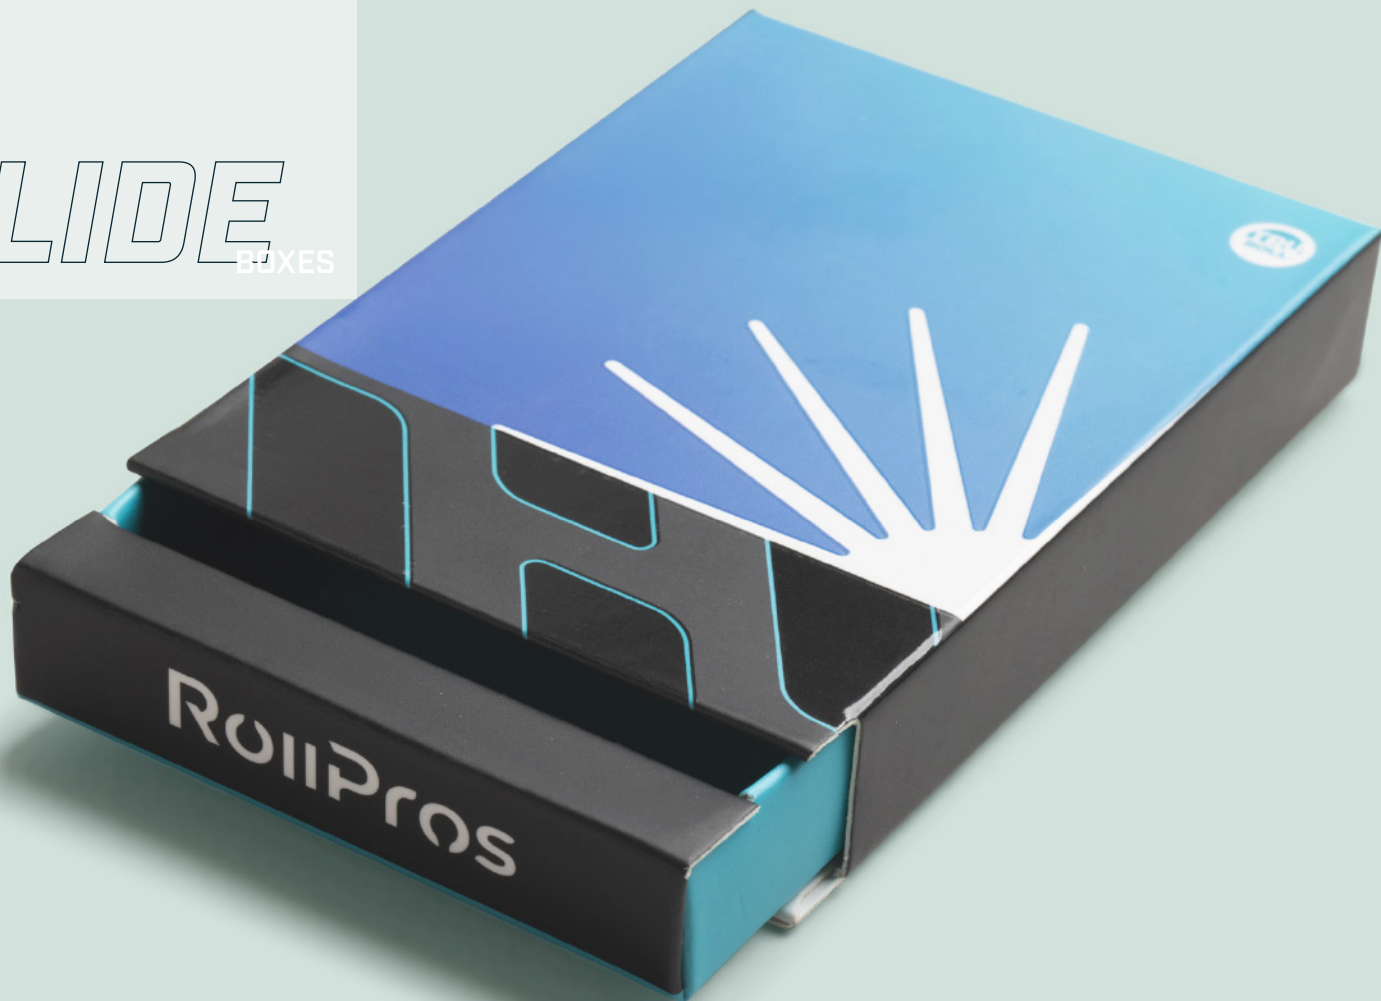

BUILD YOUR
BRAND
LOYALTY

The background is a light blue gradient with a pattern of blue dots of varying sizes. In the upper center, there is a logo consisting of three concentric circles. The innermost circle contains a stylized, light blue outline of a power button symbol. Below the logo, the word "WELCOME" is written in a large, light blue, italicized, sans-serif font. The word "COME" is repeated three times in a smaller, lighter blue, italicized, sans-serif font, creating a trailing effect.

WELCOME, COME COME COME

Welcome to our curated Lookbook—a showcase of premium packaging solutions designed to elevate your brand and enhance the customer experience. We combine attention to detail, smart functionality, and clean aesthetics to ensure your product is not just protected, but positioned to make a lasting impression. Backed by competitive pricing and trusted quality, your packaging will do more than protect—it will make an impact.

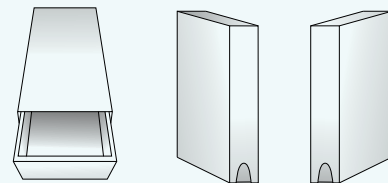

SLIDE
BOXES

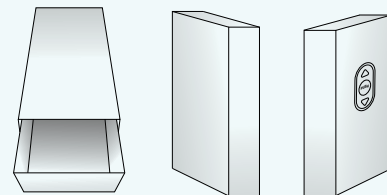

SLIDE

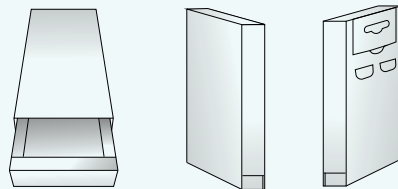

Modern, minimal, and built for impact. Our slide boxes come in three configurations — two with certified child-resistant features and one non-CR option for compliant markets. Customizable and secure, they deliver a smooth unboxing experience that puts your brand front and center.

SLIDE TRAY BOX

BOTTOM BUTTON PUSH SLIDER CR

CARDSTOCK PAPER SLIDER CR

BUTTON MULTI PACK TIN ^{CR}

Premium and practical, our metal tins are fully child-resistant and endlessly reusable.

With a crisp snap closure and sturdy construction, they offer a tactile, elevated experience that's as secure as it is stylish.

METAL TIN

LOCKING FLIP TOPS

FLIP TOP SLIDE LOCK ^{CR}

Built-in magnetic locking meets intuitive design in this child-resistant flip top. Available in two sizes, this carton brings durability and polish together, ideal for brands that want both security and shelf appeal in one seamless format.

Available In Single Row, And Double Row

FLIP TOP PERFORATED BOX

With a tear-to-open design and a tactile feel, the perforated flip top creates an unboxing moment your customers will remember. Choose from wide or narrow formats to match your product lineup and add tamper evident confidence with a little extra flair.

Available In Three Widths

FLIP TOPS

PERFORATED NON-PERFORATED PERFORATED NON-PERFORATED NON-PERFORATED

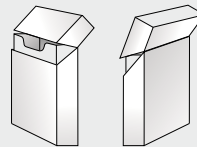

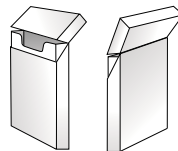

FLIP TOPS

Simple, sleek, and endlessly brandable. These non-perforated flip tops, offered in large and small, let your visual identity shine while delivering smooth functionality and a modern presentation.

RollPro

SINGLE ROW

DOUBLE ROW

POP TOP TUBES

POP TOP TUBE ^{CR}

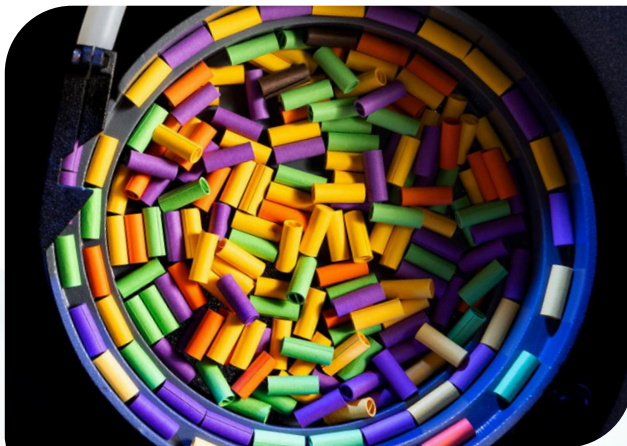

Built for durability and discretion, our Pop Top Tubes check all the boxes: certified child-resistant, compliant across markets, and available in a variety of colors and finishes. Sleek, secure, and made to protect your product without sacrificing your brand's aesthetic.

CRUTCH LABELS

YOUR PRODUCT IS ONE OF A KIND,

...and your materials should be too. We offer fully customizable options and a variety of premium paper types so you can tailor every detail of the user experience. From size and branding to paper finish and performance, every element is designed to support your product and showcase your brand.

CRUTCHES CUSTOM

MULTIPLE OPTIONS

You can choose from options like rice, hemp, and wood pulp papers, and add your logo or patterns to crutches for that final, polished touch. This level of customization allows you to create a complete

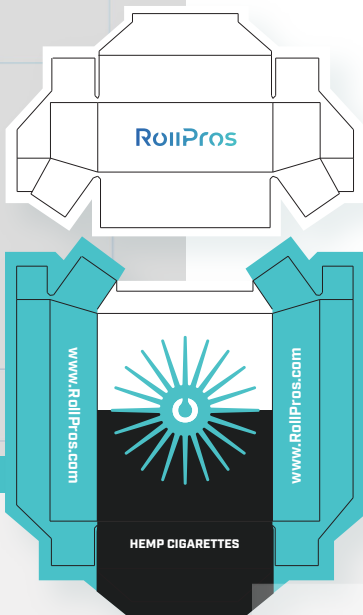

CREATIVE SERVICES

You've dialed in your product, now let's bring that same energy to your brand. Our in-house designer is here to help you craft packaging that turns heads and builds trust, from labels and layout to fully custom kits.

Whether you're just starting out or scaling across states, we'll ensure every SKU looks and feels like part of a premium lineup.

*WE DON'T JUST MAKE
THINGS LOOK GOOD*

WE MAKE SURE THEY WORK.

Our designs are tailored to fit Blackbird products perfectly, solving the sizing headaches that come with off-the-shelf packaging. With one vendor, one point of contact, and an eye for both compliance and creativity, we'll help you streamline your process and level up your shelf presence.
